Golf Staff is changing again.

There are some new employees at the club this year. Please introduce yourself to our new employees and make them feel welcome. When you come to the golf course to play please check in with the golf shop staff.

If you don't check in they won't be able to get to know you. We try to keep an accurate tee sheet each day so if everyone checks in before they go out to play this helps us out a lot. Thank you for your cooperation.

Not Getting Emails??

Yes I understand I am emailing people asking if they are not receiving emails. We have some members that forward our emails to other members because the members. So after a talk with our email people here is a fix. On the elpasogolfclub.com website click Book a Tee Time.

First time users will need to sign up. After entering your email make sure to click I would like to receive e-mail news and offers from this facility. This will activate your email again.

If you already book tee times on through the website, Login. In the top right corner it will say Welcome Member Name. Click on this and make sure there is a check in the box next to- I would like to receive e-mail news and offers from this facility.

There are other issues as well so if you are still not receiving emails please put your email and name on the board in the golf shop and we will attempt to fix all the issues.
