EI PASO GOLF CLUB

2022 Membership Handbook

INTRODUCTION

Welcome to the El Paso Golf Club! Whether you are a long time member or a new member of our golf club, we wish to thank you for the opportunity of providing you with this information. This handbook is designed to introduce you to the club by explaining our offerings, rules, and regulations.

Since its inception in 1920, we feel the El Paso Golf Club has grown and matured into one of the friendliest, most efficient and well maintained facilities in the area. The El Paso Golf Club has long prided itself in the ability to provide a quality product for your enjoyment at an extremely reasonable price. We feel that with the expansion to eighteen holes in 1991 and with the recent improvements in our clubhouse, the needs of most golfers are fulfilled.

INITIATION FEE

A one-time initiation fee is charged on all new memberships (excluding Student and Associate). The current initiation fee is \$300 and is non-refundable. **The initiation fee is not applied towards membership fees.
