

## 2024 EPGC Ladies of the Evening League By-Laws

**Board, Committees, Elections and Rules:** The Board shall consist of three members: the President, Secretary and Treasurer. Each Board member will serve two consecutive, one-year terms in office based on the position held. The Secretary will move to the Treasurer position after the first year. At the end of season meeting, the members of the Golf League shall elect the Secretary and any Board vacancies for the following year. Nominations will be sought for any open positions and a simple majority vote by league members shall be used. Each officer's one-year term will begin the day after the end of season meeting. The President shall appoint any other Chairpersons or Committee members deemed necessary for the year. Any member may request that any issue relating to rules be reviewed and voted on by the Board. The Board meets when needed and all members are encouraged to attend but not required.

**League Membership:** League membership is open to all EPGC lady members who pay the appropriate league fee. The fee is payable on the first day of league play and/or participation. It is the responsibility of each member to pay her dues at this time and complete the required form.

**Handicap (optional):** Some games played during the year require you to have a course handicap to participate. Members are responsible for the timely posting of all scores. If you do not have a handicap and would like to establish one, see the Golf Pro. Any fees associated with the handicap are payable by the member.

**Playable Rounds:** If at least 8 women complete a minimum of 6 holes, the day is considered a "playable" league round.

**Tees/Tee Times:** Everyone plays from the red tees. The Tee Times are from

3:30 to 5:30 P.M. on Tuesday evenings May through August and are reserved for Ladies of the Evening at EPGC. You can play anytime that afternoon through evening, however you must play with another league member. Special events are set up throughout the year for league members such as Play Day, Guest Night and Scrambles, which we encourage you to volunteer, participate and enjoy.

**Sign Up Sheets:** These will be available for volunteers and events. Please check these weekly.

**Games/Required Fun:** This league is for lady members of all levels. This league offers games for beginners and experienced. Participate, have fun, meet new people and share in the enjoyment of golf.
