RESULTS OF THE EPGC WOMEN'S GOLF ASSOCIATION SURVEY

The following survey was passed out and made available in the pro shop last fall. We want to thank all of you 18-hole league members for your valuable input and suggestions. Here are the results of the survey. 19 surveys were returned. Some surveys were incomplete and therefore we have discrepancies in the totals. We will be implementing these results and we will have a complete explanation of everything very soon. An email will be sent and these will be posted on our EPGC website.
