Breaking News!

The **100th Anniversary Cocktail Party** is being postponed until a later date this summer or early fall. We hope to find a more suitable date and time when the bridge is not down and other factors are not impacting attendance. Once we determine the new date and details, we will inform everyone.

June 9 - 100th Anniversary Golf Scramble, with meal will replace member tee times on Sunday, June 9. See the flyer within this newsletter or [click here](#) for more information. Register and pay through Golf Genius or call the Golf Shop (ext. 1) to register and pay in advance of the date. Enjoy a full meal immediately following the golf outing, where prizes and giveaways will be awarded!

Irrigation Update

The irrigation system is up and running and we are trying to tune it into the right amount of irrigation, while also fixing the bubblers and leaks. Please be patient as we continue to monitor and work to fix these issues as quickly as possible.

The "rough" mower is back out doing its job. The clover will be sprayed again now that the rain has slowed down and June tends to be a drier month. It is being cut at the same height; it is just thicker.

The greens are firm and fast. But will slow down once we zero in on the irrigation. There is a lot of bad, exposed wiring, especially at the bridges. This is being replaced and encased as time allows. The grounds crew appreciates your patience as we work through all these issues.

Social Committee Volunteers

The Clubhouse would like to start a Social Committee and we are looking for volunteers. Having a variety of social events, would be a great way to meet other members. If you have ideas for events you would like to see, and would like to volunteer to be part of the committee, contact manager@elpasogc.com. **Let us know your thoughts!**
