Rules of Play

Super Senior Tee option: age 75 and over have option to tee off across creeks at start of fairway on holes 7, 12, 16. Age 75 and over may tee off at front of each tee box.

24" GIMME – putter to be marked for 24" - may pick up and add one stroke. If opting out of 24" gimme local rule for this league then putt out all putts on all holes.

Winter Rules apply though fairway and rough (play ball up) not in hazards. Free drop from fairway divots. If necessary, due to standing water, rake and place in bunkers.

Out of bounds (local rule) – player may take 2 strokes and play ball from center of fairway.

Example: if ball goes out of bounds on drive – put ball in middle of fairway (even with where ball crossed out of bounds) – add 2 strokes so hitting 4 from that spot. You are not required to play the local rule. Can play USGA out of bounds rule.
